‘WINE CELLAR EXPERIENCE’  
AT STOCK EXCHANGE HOTEL, MANCHESTER

# ABOUT THE EVENT

---

We are delighted to introduce our new wine tasting experience, which will explore a different vineyard of the world each month. Our first five events will explore Old World Wines from the UK, France, Italy, Spain and a selection of other European countries.

We will host the event in **'The Vault' & 'Wine Cellar' of 'The Stock Exchange Hotel'**. The wine cellar is a real talking point amongst the hotel and houses an extensive selection of fine wines. It allows our guests to see the real focus and passion for wine that not only the sommeliers but the whole The Bull & Bear team have. The cellar was created by Tanglewood Design.

You will experience 6 tasters (100ml) of wine. This will include a sparkling, white, red & rose option. To accompany your wine choices, there will be a selection of Bull & Bear snacks, which will complement the wines served on the day

If you would like to take a taste of the event home, you will be able to purchase all the selected wines on the day before you leave. You can also browse and purchase any other wines from our extensive wine menus.

## **Private Events:**

If you would like to book one of our wine experiences for a private event with friends or colleagues, please contact us at [\*\*events@stockexchangehotel.co.uk\*\*](mailto:events@stockexchangehotel.co.uk)

This would enable you to tailor your specific wine choices, according to your tastes. Prices may vary dependent on wine choices
